RE: THE KENSINGTON & CHELSEA SCHOOL APPEAL IN KASHMIR APPEAL

Dear Sir/ Madam:

You will all remember the horrific devastation of the Kashmir earthquake in October 2005 where amongst other horrors, 6,000 schools were destroyed. Third World Solidarity (TWS) in tandem with Jhok aid Project (registered charity) has been working overtime to replace just one of these schools – to be re-named The Kensington & Chelsea School – which is a difficult but worth while task.

Being so close and deeply immersed in the project, it came as a great surprise when a fellow councillor recently told me that she knew nothing about the project. To this end, I am writing to all of my close colleagues to let them know what we are undertaking in the hope that it may be possible for some assistance.

Via dinners and contributions to date we have raised £25,000, which is a great help toward meeting our target cost £70,000. Any assistance that you can give will be greatly received, not so much by TWS but by the children who are the real recipients.

In the hope that you may be able to offer support in what can only be called noble cause, I look forward to hearing from you.

With thanks and best regards,

Cllr. Mushtaq Lasharie

NOTE: If you are able to help at all, it is better that the donation should be made payable to Jhokaid Project, which in turn will qualify us for an additional 28 percent from the government. (For further additional information please see website).
